TC-072 - [LOGGED OUT] Keyboard focus is visible on header menu items (step 5 of 5)

Step	Does the focused "Reward chain" item show a visible focus indicator (an outline, underline, box shadow or other style that is not shown when it has no focus)? Check its computed outline and box-shadow with execute_script and compare with the screenshot.

Answer	Not done
What I saw	Could not check: 'Reward chain' never had keyboard focus. Unfocused style: outline 'rgb(255,255,255) none 3px', box-shadow none, text-decoration none. (In TC-071 the focused Dismiss button also had outline none / box-shadow none, only a lighter background.)
